Do your personal best with English! ♥

Personal Best is a 6-level General English course for today's busy adults, developed with **Jim Scrivener**, internationally renowned teacher trainer and presenter. Jim's focus on **PRACTICE** as the key to improvement is reflected throughout the contemporary course package. The course features a video webshow called *Learning Curve*, the Personal Best Language App, and a wealth of extra activities and resources on the Richmond Learning Platform.

Practice makes perfect!

The **Teacher's Resource Book** provides photocopiable activities and quick Progress tests combined in one easy-to-use resource. These "copy-and-go" resources put practice at the heart of learning and give students and teachers a sense of progress.

All you need to help your students achieve their personal best!
